

***The Editorial Board of the OHRID Institute Review -
"GLOBAL"***

Announces:

A Call for Papers

Deadline: 18th of June 2008

"GLOBAL" is a topical quarterly for political and economic issues, published by the OHRID Institute for Economical and International Affairs. The Editorial Board of "GLOBAL" announces an open call for papers for the third edition of the magazine, on the general topics:

- Political development
- Economic perspectives

We would like to point to the potential authors that the topic can be approached in different contexts, in its Macedonian, regional or global dimension.

The goal of this magazine is to become an intellectual voice on the current issues of international economics and economic policy based on comprehensive and in-depth analyses, with a primary focus on Macedonia. Emphasis is placed on identifying key issues at the time - spanning international trade, international finance, the environment, energy, the integration of regional economies and other issues - in order to furnish ideas and proposals to contribute positively to the policy debate in the country and the region.

The magazine will provide a forum for discussion, debate and the refinement of key ideas in this field.

"GLOBAL" is dedicated to publishing the highest quality research in any field of economics and politics, without prejudice to the methodology or to the analytical techniques used. The editors encourage submissions in all fields of economics and politics in order to provide practical contributions to the literature, and to further the influence of economics in the world of practical affairs.

All interested need to submit a short proposal (300-500 words), short biography and a list of bibliography to the Editorial board, by 7th of June, 2008 at the latest. The deadline for submitting the final version of the selected proposals is 18th of June,

2008. Proposals and final texts can be submitted in Macedonian and English language.

All proposal, texts and questions are to be submitted to info@oi.org.mk.

Please follow the manuscript guidelines enclosed.

Although not strictly limited to them, please observe the following guidelines:

In case of submitting theoretical papers, please include: abstract, introduction, extensive literature review, theoretical implications, conclusion and bibliography.

In case of submitting empirical papers, please include: abstract, introduction, short literature review, methodology, empirical findings, conclusion with policy implications and bibliography.
